

FRIENDS OF THE EBA

WHAT DO WE DO?

The mission of the Friends of the Entrepreneurship & Business Academy (FoEBA) is to enhance the academy curriculum by providing mentorship and financial support that fosters the entrepreneurial spirit.

We do this by providing and/or supporting these opportunities:

COLLEGE VISITS

A portion of the money we raise each year will go to help offset cost for students to attend college tours & information sessions.

EBA SENIOR CELEBRATION

A portion of the money raised will go toward a celebration that will take place after the award ceremony during senior year. This includes EBA senior shirts, catered lunch, EBA senior gifts, and activities for seniors to enjoy on their final day in the academy program!

COURTYARD COMMUNITY DAY

We come together twice a year to do general cleanup and spread fresh mulch in the courtyard. Student will earn community service volunteer hours for participating.

THE PRESIDENT'S VOLUNTEER SERVICE AWARD

We provide The President's Volunteer Service Award to those student volunteers who meet the hourly community service requirements. Every student has the opportunity to earn the bronze, silver, or gold award. Awards are ordered based on the total number of hours submitted by October 31st. Freshman hours are counted from mid-June through October 31st. Award celebration is in December/January.

Bronze	50-74 hours
Silver	75-99 hours
Gold	100+ hours

\$SCHOLARSHIP\$

The Friends of the EBA will award once again for 2022 two to three \$1,000 scholarships for our seniors. The amount of scholarships we award is always contingent on the amount of fundraising we do each year. One scholarship does honor an EBA student Allori Pehrson who tragically passed away. Please consider volunteering at one or more of our concerts this year.

Based on the number of concert shifts you work, the FoEBA gives back for your services \$20 per concert to go towards your student's account to be used to defray FBLA, DECA, NBHS membership fees, senior cap/gown, senior pictures, yearbooks and school decals etc. You must be 21 and training is mandatory to participate.
