| BUS 216                      | Probability and Statistics for Business & Economics (see #6 below) | None                                    | TCC                | Entering 12 <sup>th</sup> grade                     |

\*Minimum AP Score

\*\*Only counts towards TCC GPA/degree requirement

- Interested students (and parents) are encouraged to use this form as a template to identify and plan when courses will be taken. Courses are subject to change based on Tidewater Community College changes in degree.
- In order to pursue the entire degree plan, students will need to take classes in the summer.
- 51% of the degree must be pursued on TCC's campus, while there are other options for courses, parents/students must ensure that 51% of the degree are taken on campus at TCC (before or after high school graduation).
- Most courses listed align with and satisfy a high school credit course needed for the Advanced Studies diploma. Courses that are not required for the high school diploma will be considered elective courses and included in the student's high school transcript.
- The degree aligns best with Entrepreneurship & Innovation and the Corporate Finance strands within the academy program.
- Students **MUST** complete MTH 161 prior to taking BUS 216. Students need to make sure they complete MTH 161 by the end of 11<sup>th</sup> grade in order to be eligible for BUS 216 in the summer prior to senior year. Students must complete through Algebra 2/Trig in order to take MTH 161.
