

# **ENTREPRENEURSHIP AND BUSINESS ACADEMY AT KEMPSVILLE HIGH SCHOOL**

## **MISSION STATEMENT OF KEMPSVILLE HIGH SCHOOL**

*Kempsville High School is committed to equipping students to be independent, responsible, academically proficient, technically and globally literate critical and creative thinkers.*

## **GOALS OF THE ENTREPRENEURSHIP AND BUSINESS ACADEMY**

The overall goal of the Entrepreneurship and Business Academy is to provide students the business skills and knowledge necessary to succeed in any career related fields of study in post-secondary education and in the workforce. Specific academy objectives include the following:

### **STUDENTS WILL:**

- successfully complete a sequential program of study that focuses on specific skills, knowledge and technology in the fields of entrepreneurship, business information technology and corporate finance.
- have opportunities to earn an Associate's degree/post-secondary credit.
- exceed the objectives of Virginia Beach City Public Schools curricula and Commonwealth of Virginia Standards of Learning tests.
- participate in job shadowing, mentoring, and/or internship programs that extend, enrich, and refine student learning and create linkages with the academic and business communities.
- complete a long-term project through an internship/mentorship experience with a culminating presentation in the senior year featuring an in-depth study of an issue of related concern to their related industry and present ideas/solutions as viable options to address the issue to a panel of business and community leaders.

## **HISTORY OF KEMPSVILLE HIGH SCHOOL**

Kempsville High School is the **home of the Chiefs** and has a long-standing history and tradition of excellence in education. Kempsville High School is named after an early Virginia settler by the name of Kempe and the current building was opened in 1966. The Kempsville High School faculty and community were excited to expand the tradition of excellence in the Fall of 2016 when we opened our doors to the FIRST academy class of students. We are now operating at full capacity with close to 500 students in our academy program in all four grade levels!

## **ACADEMY STRANDS**

The academy program offers three strands of study for students. Students will be provided the opportunity to personalize and customize their learning experience through the development of courses within each of the strands. The three strands of the academy are:

**ENTREPRENEURSHIP AND INNOVATION  
BUSINESS INFORMATION TECHNOLOGY  
CORPORATE FINANCE**

## **COURSES WITHIN THE ACADEMY**

Students enrolled in the academy will be take a series of courses that are aligned with the overarching strands of the academy. The information below provides a snapshot of courses that are developed for the academy within the three strands. All students in the academy will have the opportunity to earn their **"Master Level Microsoft Office Specialist Certification"** through passing multiple tests and will have multiple opportunities to earn additional industry certifications through their selected academy program of study. Students also have the ability to pursue an Associate's degree in Business Administration from Tidewater Community College while dually enrolled in the Entrepreneurship and Business Academy at Kempsville High School. There are specific courses that a student needs to enroll in, in order to satisfy the degree requirements.
